  - From His website <http://www.motoretroillustrated.com> “I started vintage roadracing in 1995, and over the years began to realize how big and diverse the retro market was in this country. I also realized the handful of vintage publications out there weren’t addressing what I found most interesting – primarily the bikes and moto-culture of the late ’60s, ’70s and early ’80s, dirt and street. So an idea began to germinate, one that would eventually see the light of day in early 2008 with issue one of *Motorcyclist Retro* – an offshoot of *Motorcyclist*, the streetbike magazine I edited from 1993 to 2007.”
