THE NEWSLETTER OF THE RED HOT RIDERS CLUB

## HAPPY HOLIDAYS!

November was a very busy month for the Red Hot Riders. We started the month with a cruiser ride led by Scott Yoder, who took us over hill and dale to Oceanside

for great burgers. Fun events like these are why our cruiser rides are so popular.

At our meeting,

we celebrated reaching 200 members. Thanks to Judy Krugman for the decorations, chocolate cigars & delicious cake that helped make the occasion more special.

We also enjoyed a presentation from Ann of MotoPort of their motorcycle clothing line. They really make some great stuff. You should check out their new location off of Nordahl Road in Escondido.

Our All Ride was led by Michael Gorga; and as usual, riders split up into groups so that everyone could enjoy the ride at their own pace. If you're not taking advantage of these scheduled rides, you're really missing some fun.

For those members who don't mind sitting in the saddle all day, Eric Levy's Death Valley Dash was an exceptional 750 mile ride. The weather was perfect, the roads were outstanding and it was surprisingly easy to do. Let's do another one of these real soon.

Last but not least, many members caravanned up to the

Long Beach Motorcycle Show to check out the new 2000 models and other great motorcycle stuff. As always, half the fun is being there with your buddies and kicking all those tires!

For the month of December, holiday activities will take the place of scheduled rides. Hope to see you at the dinner meeting and holiday party! Don't forget to pay your dues so you can continue to enjoy the many fun benefits of being a Red Hot Rider.
